**City Offices to Have Limited Hours on Mon., Oct. 14; Library Closed All Day
*Public Safety Operations Will Have Normal Staffing***

Beverly Hills, CA - City Hall and other City of Beverly Hills offices will open at 2:00 p.m. on Monday, October 14, because of an all-employee training session. City offices normally open at 7:30 a.m. The Library will be closed all day.

For the past seven years, an all-employee training session has been held on the second Monday in October to focus on improving service to residents and businesses. This year, the training session will be held at the Academy of Motion Picture Arts and Sciences Theater on Wilshire Boulevard. The theater is provided at no cost to the City.

The Police and Fire department personnel will remain on active duty October 14 at all times, but some will attend the employee training if their duties allow. Public Works essential services will continue normal operations. Classes and programs at City parks will also take place as scheduled.
