**Coldwater Canyon Fire Station to Be Closed for Two Weeks for Renovations**  
*Service to Continue Uninterrupted From Headquarters Station*

(Beverly Hills) - The Coldwater Canyon Fire Station, known as Fire Station 2, is undergoing renovations that will require closure of the station for two weeks beginning Feb. 12. The station will receive electrical system and other upgrades.

During the time of closure, the engine and crew will move to Fire Station headquarters at the Civic Center at 445 N. Rexford Dr., where they will continue to serve northern Beverly Hills with no interruption in service. The response time of less than four minutes, one of the best in the region, will be maintained for medical, fire suppression and other emergency requests.

Signs placed at the Coldwater Station will notify visitors that the station is temporarily closed and they can call the 911 for an immediate response to an emergency.

Please call the Fire Department (310) 281-2703 with questions about the station or fire service.
