### **BHUSD PARENT ASSEMBLY ON TEEN DRINKING AND DRIVING TO FEATURE NATIONALLY RECOGNIZED SARAH PANZAU**

As part of a school-wide program entitled *Every 15 Minutes*, Beverly Hills High School is presenting a parents' assembly on Wednesday night, May 21<sup>st</sup>, from 6:30 to 8:00 pm at BHHS' K.L. Peters Auditorium. *Every 15 Minutes* is a dramatic and hard-hitting two-day event designed to instill in teenagers the potentially dangerous consequences of drinking and driving.

Featured speaker Sarah Panzau is nationally recognized for her emotionally charged, personal accounts of her own near fatal accident and her motivational message to teens about the dangers of drinking and driving. A former two-time All-American volleyball player, Panzau lost an arm and was declared clinically dead at the crash scene. Her survival was a medical miracle and she has dedicated her life to stopping other teens from repeating her mistake.

A Beverly Hills Police representative will also discuss the issue from a local perspective.

All parents, particularly those of middle and high school students, are encouraged to attend this informative and important presentation. There is no admission charge. Plenty of parking is available in campus lots. For more information, please call Beverly Hills High School at (310) 229-3685.
