MWD's "Water is Life" Traveling Art Exhibit Comes to Beverly Hills *Two BHUSD Student Works Part of Display*

Beverly Hills, CA – The Metropolitan Water District (MWD) is bringing the winners of its "Water is Life" contest to Beverly Hills in June. The Art Contest was held in Spring 2009 in conjunction with MWD's 24 member agencies. The purpose of the contest was to inspire children's interest and understanding of water issues through works of art with one central theme—finding ways to conserve water.

Thirty-six winning student posters will be beautifully framed and on display, including the works of two Beverly Hills' students, Natalia Delgadillo of Horace Mann School and Jullie Chang of Beverly Hills High School. Their poster images are also featured in the 2010 Metropolitan Water District calendar as are all the winning posters.

When: June 10 through June 18, 2010
Time: 8:30a.m. – 5p.m. Monday through Friday
Location: 345 Foothill Road, Beverly Hills, CA 90210
Free; open to the Public

The 143 submissions were judged on originality, creativity, neatness, accuracy and the water-is-life message. Kindergartners through 12th graders were invited to participate.
