Beverly Hills To Unveil the New Coldwater Canyon Park and Reservoir

Beverly Hills, CA – The City of Beverly Hills will be celebrating the opening and re-dedication of the Coldwater Canyon Park, Reservoir and historic Bridle Path signage this Saturday, June 26th at 11:00am.

A decade of commitment to the City's utility infrastructure led to the construction of the new reservoir, which has a capacity of 8.3 million gallons. The newly renovated park includes an all-weather track, drought tolerant landscaping, passive areas for reading and relaxation, and a new water feature and runnel that commemorates the area's history of being a convergence of canyon streams.

All are welcome to the event!

For more information, please call 310-285-2536.
