Burglary Suspect Apprehended

On the morning of May 27th, 2011, the final suspect in a prolific string of Residential Burglaries was taken into custody. Christopher Rachal (25 years old from Los Angeles, CA), is the last of three major suspects wanted in connection with the rash of crimes which occurred in both Beverly Hills and Los Angeles. These three Rolling 30's Harlem Crips gang members used a common methodology in committing their crimes. They would knock on the front door of the residence, if there is no answer, two of the subjects would enter the residence and ransack the home looking for jewelry, money and guns. The Beverly Hills Police Department had arrested the other two suspects, Germaine Jackson and Tyree Jackson, in separate incidents earlier this year.

Rachal was taken into custody by the Gainesville Florida Police Department in that city for an unrelated narcotics charge. He will be extradited back to California to face multiple charges stemming from this extensive burglary investigation. Rachal is also facing additional charges related to his current arrest as well as a Parolee at Large warrant issued by the California Department of Corrections.
