## Beverly Hills Police in Vehicle Pursuit

On Tuesday, June 14, 2011, at approximately 9:15 am, the Automated License Plate Recognition (ALPR) camera on Coldwater Canyon alerted on a "stolen vehicle" traveling south on Coldwater Canyon. A police officer located the suspect vehicle in the area of Beverly Drive and Carmelita. When the officer attempted to stop the vehicle, a short vehicle pursuit ensued. The driver of the stolen vehicle, Javier Armenta, 39, stopped in the area of the 900 block of North Whittier Dr., and fled into the rear yard of a residence, where he was immediately apprehended and arrested. He was taken into custody and charged with 2800.2(a) VC, Felony Pursuit, 11377 H&S, Possession of a Controlled Substance, 3056 PC, Parole Violation and 148 PC, Resisting Arrest. No officers or citizens were injured during this incident.

"The ALPR continues to aid law enforcement in capturing criminals," said Lieutenant Tony Lee. "The number of arrests we've made with technology identifying stolen cars, such as this incident, is staggering. It's just terrific police work all around."
